Delegate Application and Point Tabulation Form Instructions

ENA General Assembly and Annual Meeting is scheduled for September 3 and September 4, 2024 in Las Vegas, Nevada. The General Assembly meeting schedule is scheduled for all day Wednesday September 3 and half day Thursday September 4. Opportunities for California delegate status is open to all national ENA members that hold a current California professional nurse licensure (active or inactive) and wish to apply. The selection process is based upon an accumulative point system outlined in the delegate form. The more active the member, the higher the grand total, the greater the chances of being selected to serve as a delegate to General Assembly.

Every application submitted will be accepted and added to a list of all other applicants according to date/time received. You must notify your Chapter President of your intent to apply who then may be asked to verify the accuracy of your meeting attendance. Complete all portions of the application and **be sure to submit copies of all required supporting documentation** to verify your claims of involvement. If documentation is not submitted you will not receive credit for these claims.

Applicants are sorted from the highest to the lowest grand total points. **The deadline for priority electronic submission or postmarked is no later than June 5, 2024.** All applications received after this deadline will be accepted, but placed at the end of the list, regardless of its point value. National ENA will notify California, during the early summer months, of the total number of delegates and alternates assigned to our state. Delegates for each state are assigned, by the portion of ENA membership, the State Council President, delegates and 1 alternate. Applicants will be selected according to their point position on the list. Selection is based on total number of points and Delegate Application received date.

Potential delegates and one alternate will be notified of their position and selection to serve by the Cal ENA Delegate Coordinator. If the delegate is unable to serve for any reason, he/she must notify the Delegate Coordinator immediately so that another applicant can move up the list. **The deadline for notifying the Delegate Coordinator of "their inability to serve" must be adhered to.** National sets a deadline of approximately 75 days prior to the start of General Assembly for each state to submit the list of their delegates and alternate information. **It is strongly advised that those persons applying for delegate status should do so with the intent to serve if selected.**

Official Delegates and the one alternate will receive a Delegate Handbook to be sent electronically directly from ENA. Each recipient should review the material and be prepared to speak to the issues on the agenda and offer their full attention to the proceedings. Each selected delegate **IS REQUIRED TO** complete the on-line delegate orientation program, as outlined by ENA prior to their attendance at General Assembly. **Attendance is required at each of the designated General Assembly meeting days.** Delegates and alternate will be seated together on Assembly floor and must sign in on attendance roster each day. The State Council may provide financial assistance to those who serve according to the above guidelines. **NOTE: The Cal ENA Board reserves the right to determine the amount and method of reimbursement according to the current financial status of the treasury. Delegates receiving financial reimbursement for expenses other than those provided by State Council must provide the appropriate receipts to their local chapter or employer. Delegates may not accept additional per diem reimbursement for expenses which are being provided for by either their local chapter and/or their personal employer. Accepting additional reimbursement for expenses which are covered by another entity constitutes "double dipping" and may subject the member to a tax audit or the payment of fines.**

Delegate applications will be provided to each Chapter Representative, available to attendees at State Council Meetings, or download from our website <http://www.californiaena.org> **AFTER FEBRUARY 22, 2024.**
